Symposium on Child Protection and Mental Health by NCPCR on 3rd November, 2017 in World Congress of Mental Health at Hotel Ashok from 2nd to 5th November, 2017

The World Federation for Mental Health (WFMH) is a global body that envisions a world in which mental health is a priority for all people. The WFMH founded in 1948 under the aegis of World Health Organization and UNESCO, is the largest global alliance of mental health professionals, national health associations, NGOs, policy experts, and other institutions. Having being previously held at Athens (2009), Capetown (2011), Beunos Aires (2013) and Cairo (2015), it is a matter of pride for India that this most significant biennial global event in the field of mental health is being held here for the first time ever in the SAARC & South East Asian Regions. The recommendations of WFMH World Congress for Mental Health invariably have a global impact.
